## PHOTO OF THE WEEK EVENT\*

Beginning May, 2017, Richfield Heritage Preserve is accepting photos for our “Photo of the Week” Event.

Therefore, we encourage you to submit your best, most interesting photos for consideration to possibly be selected as the “Photo of the Week”.

Our objective with this “Photo of the Week” Event is to showcase the beauty of our park, in a first-person perspective, as you experience and enjoy the Preserve.

### **GUIDELINES FOR CONSIDERATION:**

- Photos must depict an experience somewhere within the Richfield Heritage Preserve. (There is no restriction on when the photo can be taken.)
- All photos must be submitted to [PhotoEvent@rjrd.org](mailto:PhotoEvent@rjrd.org) according to the email submission requirements outlined below.
- Only send ONE (1) PHOTO PER EMAIL
- There is a LIMIT OF SIX (6) entries per person, per week.
- Please **DO NOT** send the same photo more than once. We will keep all "possibilities" and use them in the weeks and months after they are submitted.

### **NOTES TO CONSIDER WHEN SUBMITTING PHOTOS:**

- Keep in mind the “Three C’s”, namely: Color, Content and Clarity

  - **Content** can be anything, such as: a picture of a person or landscape, landmark, plant/animal/insect, but the photo must be interesting, inspiring, and appropriate for publishing on Richfield Heritage Preserve’s website and social media platforms;
  - **Clarity** is extremely important. If the photo is not crisp and clear, or if it is out of focus, or over/underexposed, we unfortunately cannot use the photo no matter how wonderful the color and content may be.
